For Application in the following Supplementary Codes:

Right To Work	Right To Rent	Disclosure & Barring Service
M1A, M1C, H1A	M1A, M1C, H1A	M1A, M1C, H1A

Summary of Service:

Digidentity delivers identity verification services. Our app collects identity evidence as identity documents and selfies. Our systems execute the verification and validation. We validate ID's using photographic or cryptographic validation (NFC).

We use liveness detection to validate the user is alive. We perform face comparison with the ID photo and selfies to bind the ID to the user. Additional checks can be included such as fraud, address, PEP and sanctions.
